Planet-E

Doodle Design Ganesha 2020

We invite participation from children of preschool to design Ganesha using patterns or doodling art. You can see how we decorated our Ganesha by scanning the QR. Selected entries will be displayed in the gallery section of www.timesofpreschool.com and also on the YouTube channel of Planet-E.

Step 1: Print this sheet. Fill in the details in the label on the top of this page.

Step 2: Design Ganesha with your doodling creativity using crayons/colour pencils/black pencil/sketch pens, or any other writing tool.

Step 3: Upload pdf or image of your child's work in the Google form before 30th August 2020.
